

Banish vaginal dryness, itching and painful sex instantly....

"You Can Have the Best Sex of Your Life at ANY Age and Banish Anxiety, Pain and Worry From the Bedroom...Forever!"

Plus: Your Man Will Treat You Like a Sex Goddess!

Dear Ladies,

Ever since my mother died when I was just seven years old, I have struggled with chronic fatigue syndrome. Sometimes just making it through the day felt impossible. And, when it came to sex, I'm embarrassed to admit that even when I was in the mood, often times my body just would not cooperate.

Right in the midst of an incredibly passionate moment, I would come to a dry, painful, mortifying halt. I was utterly humiliated, and the memory of that painful experience made me cringe at the very thought of sexual intimacy.

I know men have their problems too...impotence gets a lot of press. But studies have shown that 80% of pre-menopausal women suffer from occasional, sometimes chronic, vaginal dryness, pain or itching that can destroy their sex lives, turning the most intimate moments into a complete and total nightmare!

But sadly it doesn't end with the physical problems ... Just one embarrassing, uncomfortable experience can leave both mental and emotional scars, tainting all future encounters with uncertainty and anxiety. Unlike men, for whom sex is primarily physical, we ladies are more emotionally and psychologically invested. Chronic worry and fear only make matters worse and virtually eliminate any hope of achieving orgasm.

But Now No Time is the Wrong Time With the Help of a New All-Natural Miracle Oil

I have long embraced all natural and organic solutions for my health and skin care needs, and it was in the Himalayan Mountains that I stumbled across what is literally a miracle for your most intimate needs.

I am proud to introduce, PuraPleasure, an organic, edible massage oil formulated from nature's most exotic and precious oils. Once applied, it will banish from your mind any worries of dryness, pain or itching and give you the most pleasurable, luxurious sex of your life!

The Most Fun You Can Get From a Bottle!

PuraPleasure is unlike any other product offered for women who suffer from intimacy issues. PuraPleasure contains only the highest quality natural ingredients and is based not on water, like so many low-quality commercial products, but on an oil so rich and luxurious it was prized by Egyptian pharaohs!

Found deep in the virgin forests of the Himalayas, it is one of the most sought after oils for high end skin care products and cosmetics because of its rich antioxidants and skin rejuvenating properties. It is high in oleic acid, and penetrates deep into the skin delivering vital nutrients, and helping the skin retain moisture and remain soft, supple and elastic.

This exotic oil is non-drying, non-staining and is so silky smooth that it infuses a rich, satin texture into even the driest, most parched skin.

The all natural miracle oil I discovered is known as Moringa. It is gently coaxed from the seeds of the Moringa oleifera tree. Moringa oil, with its subtle, nutty flavor is used in cooking, so you know it is safe, not only to consume, but to rub on your most precious bits! Good enough to eat!

Moringa Oil-an Organic Ingredient That Gives you that Luxury Spa Pampered Feeling at Home!

I know it might all sound like a little much...but it's all true! If you've read this far you sense there's something better. Perhaps, like me, you believe you deserve better. I believe you deserve better, too. That's why I created PuraPleasure.

- **What is it worth to be free of pain, fear and worry?**
- **What is it worth to share a new, special level of intimacy with your partner?**
- **What is it worth to have a royal spa-like treatment right in the comfort and privacy of your own home?**

Luxury products with exotic, organic oils like PuraPleasure could easily retail for hundreds of pounds. However, PuraPleasure is available now, for a limited time, for only \$29! I know...it's nothing compared with the experience. In fact, I can tell you it's worth \$29 just for a one-time use!

**For less than the cost of a nice dinner out,
you can have your own 100ml bottle of PuraPleasure,
delivered to your door in just a few days!**

My accountant has been warning me that I can't possibly afford to sell something this valuable at such a low price...but it's important to me that every woman has access to the life and love she deserves, which is why I've priced it at just \$29.

I am a firm believer in PuraPleasure, not just because I am the creator, but because I use it myself! I know just how extraordinary this oil is. I've tried to share with you from my own experience the extraordinary benefits of this unique and special product...but a letter can't really do it justice. You really have to try it for yourself!

To set your mind at ease, and to show my total confidence, I offer a 100%, no questions asked, money back guarantee. If for any reason you are not completely satisfied with PuraPleasure, return it at any time for a complete refund. Even if you've used the entire bottle, send it back and I'll refund your purchase price. What more could you ask for?

I almost forgot...

If you order by (insert date), I'll cover the shipping and handling (normally \$5) myself!

But there is a catch....

I have a very limited supply. Moringa Oil is so exclusive, rare and valuable that PuraPleasure is formulated in very small batches. The worldwide supply of PuraPleasure is now less than 1,000 bottles and they're moving fast. In fact, I can only guarantee inventory to fill orders for the next few weeks. PuraPleasure is not available anywhere else! So please, order today, before it's all gone. You deserve it!

Sincerely,

Melanie

P.S. I feel I need to caution you...PuraPleasure is so powerful you will feel like you are 18 again, and your man...well, let's just say he will keep coming back for more! You may have to ration this miracle oil and pace yourself, because as powerful as PuraPleasure is, your heart may not be ready for the workout! If you have any health issues, please use extreme caution before engaging in too much "exercise".

P.P.S. If you get a message on our order page saying we've sold out of PuraPleasure, I'm sorry. Please send a message to backorder@purapleasure.com and we'll notify you as soon as more is available. My apologies for the inconvenience
